WAYS TO FINANCE TECHNICAL TEXTILES PRODUCTION FOR SPANISH COMPANIES

OBJECTIVE OF THIS PROJECT?

To boost smart textiles innovation in Europe with a specific focus on developing a full smart textiles manufacturing value chain in Europe to help drive promising prototypes faster to market.

HOW MUCH?

During the 3 year programme there will be 3 calls launched for funding up to 40 individual projects with a total budget of €2.4 million

WAYS TO FINANCE TECHNICAL TEXTILES PRODUCTION FOR SPANISH COMPANIES

TEX-MED ALLIANCES

OBJECTIVE OF THIS PROJECT?

To implement 4 Cross-Border Cooperation (CBC) Initiatives in priority areas for the T/C industry, i.e. Internationalization; Innovation and Circular Economy. These Initiatives have been designed to help enterprises to:

- recover from the current negative situation created by Covid-19
- grasp new opportunities originating from the pandemic

HOW MUCH?

Up to 10.000€ per company. The call for companies closes the next December 7th.
